### TEST CERTIFICATE SUMMARY No. L 1-17

The following test was commissioned by VERMOP Salmon GmbH for the cleaning agent "VermoZero (18092)" and verified by the Institute:

### Determination of the suitability of floor cleaning agents for wood and parquet floor coverings according to DIN 18 356

#### Summary assessment.

The tested cleaning agent "VermoZero (18092)" from VERMOP Salmon GmbH fulfils the requirements of DIN 18 356 and is very well suited for cleaning wood and parquet floor coverings if the specifications of the product-specific cleaning and care recommendations are observed and adhered to.
